Short Term Job Oriented Courses

Career Courses

AISD designed these courses to cater to the career progression needs of an individual.

Career Courses include important concepts like **employability skills, business communication, business etiquettes, interview skills and public speaking**

Personality Development Courses

These courses are designed to improve communication skills, gaining self-confidence and facilitates an individual's personal and professional growth.

Spoken English

These courses are designed to focus on improving the fluency and confidence of an individual during listening, reading, writing, and conversing in English.

We provide **special batches for housewives and working professionals, and personalized classes for individuals.**

Corporate Training

We customize and create training and assessment programs to suit the organization's needs, which focus on improving professional skills leading to increased efficiency and motivation among employees.

Workshops in Colleges

We conduct interactive workshops in colleges and aim to encourage learners to upskill and reskill and enable them to grow beyond their limitations

Soft Skills Training for Teachers

AISD has designed this program to help teachers be better equipped to create a more positive learning environment for their students.

The program covers a range of topics, **including communication, time management, organization, and conflict resolution.**

Guidelines of Our Programs

1. Small batch size for focused learning.
2. Industry inputs to ensure learning is relevant to corporate world.
3. Pre & Post training assessment.
4. Continuous feedback to improve our programs.
5. Practical application of gained knowledge
6. Detail learning system
7. Provide continuous, self service learning.
